Module Title: Professional Portfolio 1: First Study Activities 1 (15 credits)

Your department will run a programme of classes, masterclasses and other first study activities that you are expected to attend. This will constitute a contract which students must sign and which will be logged in the department. Registers will be taken at all these classes. Your attendance at specified classes, notably those where the success of the class depends on the presence of all students to run properly, will contribute to the final calculation of your overall rate of attendance at the end of the year.

Poor attendance may result in your mark in this module being capped. Details can be found at <https://icity.bcu.ac.uk/adm/birmingham-conservatoire/Orchestra-and-Ensembles/Absence-and-Lateness-Policy>

For first-year brass players the activities are:

- i. Performing in workshops and master classes
Regular performance classes and repertoire sessions, details of which are published at the beginning of each term.
Occasional masterclasses
- ii. Performing in chamber music ensembles
Groups such as quartets or quintets participating in the chamber music programme.
Ensembles arranged on a regular or occasional basis by the Head of Brass
- iii. Attendance at all rehearsals and performances in orchestras and other ensembles for which you have been selected by your Head of Department or his/her assistant.

Assessment

Reflection and Evaluation patchwork assessment (100%). This tests learning outcomes 1 and 2.

i) initial self-assessment: time management exercise, identification of strengths, areas for improvement and goals for the year, and a list of required, elective and extra-curricular activities (25%). To be submitted in the third week of term.

ii) final self-assessment evaluating and reflecting on progress, setting goals for future improvement and listing all relevant activities in the course of the year (75%). To be submitted at the end of semester 2.

The summative assessment for this module relates to the initial and final self-assessments completed online in Moodle at the start and end of the academic year.

In addition to the summative assessment, there is also an attendance requirement for this module. Students should read the module description carefully and note the penalties for unreliable attendance at designated first study activities.
