Erasmus+ exchange at
Chemnitz University of Technology

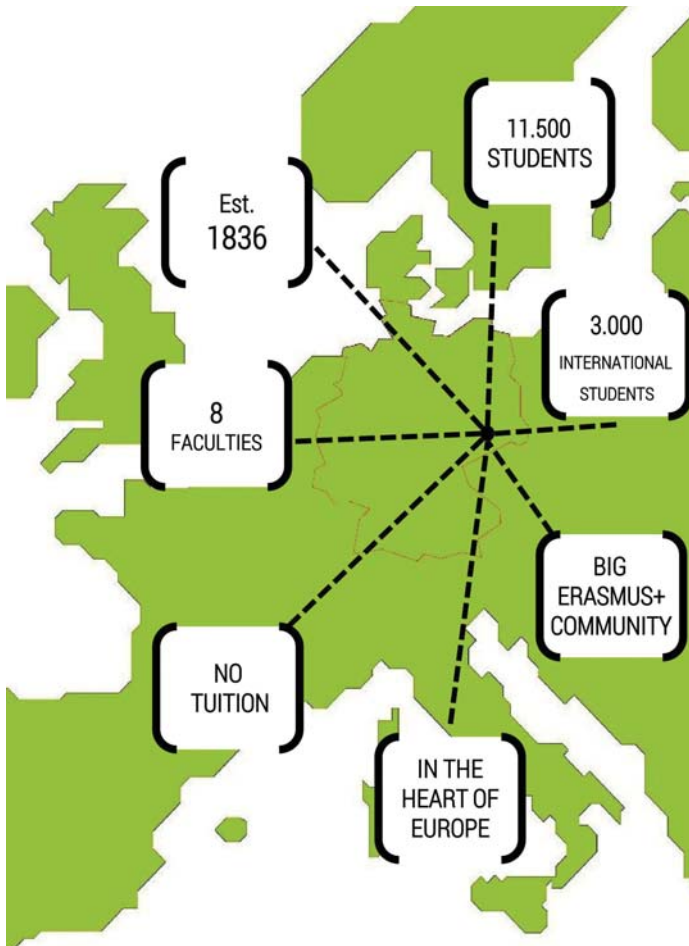

Dear students,

Welcome to Chemnitz University of Technology (CUT)!

Due to ever-growing attractive opportunities abroad, participating in an exchange semester is becoming more and more popular. Each semester, CUT welcomes many exchange students from all over the world for one or two semesters.

CUT offers very good conditions for study and research as our university is efficient, oriented on competition, open-minded for new structures, and has a very high international reputation. Spending a semester with us at CUT in Germany is an adventure that will make a difference to your life!

We look forward to receiving your application.
