

PL LUBLIN03 Lublin University of Technology

Dear Partner University,

Office of International Education kindly asks you to share this information among students of your university considering choosing Lublin University of Technology Dormitory as their accommodation during their Erasmus exchange program at LUT.

Due to a Rector's Order all students who participate in educational exchange programmes at LUT and apply for accommodation in the Dormitories of LUT, need to pay-in a returnable deposit of 100 EUR via the bank transfer (plus transfer cost if required by a bank).

This payment needs to be done after receiving the Acceptance Letter from LUT.

When the money is accounted, the students receive a proof of final booking in LUT Dorm and the document, if they need: <Confirmation of Accommodation at LUT Dorm> which can be presented at Polish Embassy during the process of obtaining the student visa.

The returnable deposit can be returned under the acceptance protocol at the end of their stay at LUT Dorm. All information can be obtained on the web page of Office of International Education or by contacting us via email.

We hope our cooperation will remain fruitful.

Best regards,
