<b>Entry Regulations</b>	<p>Applicants from EU/EFTA nations as well as some other nations do not need a visa to study in Germany.</p> <p>Applicants from Non-EU nations normally need a visa to study in Germany. In order to get a visa and the information if they need a visa, they must contact the embassy or consulate of the Federal Republic of Germany in their home country to ask and apply for it. Application for visa is necessary at least 2 months ahead of time. Students cannot travel to Germany on a tourist visa, since this cannot be changed into a student visa! Students that are in Germany on a tourist visa are not entitled to study there. Students from Switzerland who are allowed to enter Germany without a visa have to fill out a residence permit application, which can be obtained at the local Foreigner's Registration Authority.</p>

Students originating from countries outside the EU: To ensure that coverage is sufficient to meet German national standards, it is recommended that students purchase an in-country medical insurance plan. Full coverage for students is around €90-95 monthly. Travel insurances are <u>not</u> accepted:
